

Cultural Resource Professionals Consulting Services Directory

Inclusion on this list does not represent a certification, endorsement, recommendation, or assumption of responsibility for the work of any consultant. There is no guarantee implicit or implied that any work product produced by those on this list will meet [federal or state requirements](#). We recommend you make inquiries regarding professional qualifications and check references as appropriate.

Email your current CV to mtshpo@mt.gov to request enrollment in this directory or to update your existing profile. Thank you for helping our office connect cultural resource professionals to projects in Montana.
